## PRODUCT CODE: 440SBWG WIREGUARD BATTEN

### PRODUCT INFORMATION

| PRODUCT CODE | DESCRIPTION                     |
|--------------|---------------------------------|
| 440SBWG      | 40W LED 1200mm WireGuard Batten |
| MWSRFT       | MWS Module to suit 440SBWG      |

### ORDERING INFORMATION

|                       |                             |
|-----------------------|-----------------------------|
| Carton Qty            | 4 pieces                    |
| Weight                | 3.8kg (unit) - 15.2kg (box) |
| Dimension (L x W x H) | 1230mm x 125mm x 91mm       |

### OPERATIONAL INFORMATION

#### TECHNICAL SPECIFICATIONS

|                       |                                        |
|-----------------------|----------------------------------------|
| Operating Voltage     | 220-260V; 50Hz                         |
| Operating Temperature | -25° - 45° C                           |
| IP Rating             | IP20                                   |
| Wiring                | Large Terminal Block                   |
| Mounting Type         | Surface Mount                          |
| Construction          | Powder Coated Metal Body and WireGuard |
| Standards             | AS/NZS 60598.1<br>EMC                  |

#### LEDS

|                    |                                |
|--------------------|--------------------------------|
| Power Consumption  | 20W                            |
| Power Factor       | >0.95                          |
| Lens               | LED Lamp Rated at 50,000 Hours |
| Lumens Output      | 2000lm                         |
| Colour Temperature | 5000k                          |
| Beam Angle         | 110 Degrees                    |

#### REPLACEMENT PART

| PART NUMBER | DESCRIPTION      |
|-------------|------------------|
| WG4         | 1200mm WireGuard |

The product details outlined in this document are accurate as of the document's version date. We reserve the right to modify product design, specifications, or materials without prior notice due to ongoing product improvement policy and changes to industry standards. We recommend confirming the applicable specifications at the time of placing your order to ensure alignment with the most current information.
