# PRODUCT CODE: SBTN440WP LED WEATHERPROOF BATTEN

## PRODUCT INFORMATION

| PRODUCT CODE | DESCRIPTION                                                 |
|--------------|-------------------------------------------------------------|
| SBTN440WP    | 40W LED 1200mm Weatherproof Batten                          |
| SBTN440WPS   | 40W LED 1200mm Weatherproof Batten<br>with Microwave Sensor |

## ORDERING INFORMATION

|                       |                           |
|-----------------------|---------------------------|
| Carton Qty            | 6 pieces                  |
| Weight                | 1.8kg (unit) - 11kg (box) |
| Dimension (L x W x H) | 1155mm x 100mm x 80mm     |

## OPERATIONAL INFORMATION

### TECHNICAL SPECIFICATIONS

|                       |                                 |
|-----------------------|---------------------------------|
| Operating Voltage     | 220-260V; 50Hz                  |
| Operating Temperature | -25° - 45° C                    |
| IP Rating             | IP65                            |
| IK Rating             | IK08                            |
| Wiring                | Large Terminal Block            |
| Mounting Type         | Surface Mount                   |
| Construction          | Polycarbonate Body and Diffuser |
| Standards             | AS/NZS 60598.1<br>EMC           |

### LEDs

|                    |                                |
|--------------------|--------------------------------|
| Power Consumption  | 40W                            |
| Power Factor       | >0.95                          |
| Lens               | LED Lamp Rated at 50,000 Hours |
| Lumens Output      | 4600lm                         |
| Colour Temperature | 4000k                          |
| Beam Angle         | 110 Degrees                    |
| CRI                | <80                            |

### REPLACEMENT PART

| PART NUMBER | DESCRIPTION     |
|-------------|-----------------|
| DIFFWP4     | 1200mm Diffuser |

The product details outlined in this document are accurate as of the document's version date. We reserve the right to modify product design, specifications, or materials without prior notice due to ongoing product improvement policy and changes to industry standards. We recommend confirming the applicable specifications at the time of placing your order to ensure alignment with the most current information.
